

**SLAIDBURN VILLAGE HALL**  
**ENVIRONMENTAL POLICY**

Here at SLAIDBURN VILLAGE HALL we are committed to providing a good quality service whilst minimising the environmental impact of our activities.

A symbol of this commitment is our membership of the Green Tourism Business Scheme. The scheme provides accreditation and encouragement for tourism businesses to reduce the environmental impact of their activities. By encouraging sustainable practices the scheme ensures the continued enjoyment of the environment around us for future generations.

Some of the main steps we have taken to reduce our impact are:

-  Installed low energy lighting
-  Fitted good insulation
-  Installed a woodchip boiler
-  Installed double glazing
-  Re-cycle whenever possible
